

550 VacEx

Features

- Power by CAT - unexcelled performance and reliability.
- Vacuum pump blowers by Gardner Denver - rugged and high performance.
- Premium silencer package - reduced noise complaints.
- Compact low profile - good visibility for your driver and stability in rough locations.
- Rugged construction the way a contractor needs it - heavy duty frames and largest axle capacity in its class.
- Balanced design with optimum tongue weight - easy on your trucks.
- Narrowest machine in it's class makes it maneuverable and easy to see around.
- Reverse flow is standard - fast tank emptying, blow obstructions out of vacuum hose and backflush the filters for quick-easy cleaning.
- Unique single handle door latch design for easier, faster opening and closing.
- Patented Cyclo-Jet Pothole Excavator available - The fastest, cleanest, easiest-to-use pothole gun in its class - drill a 3 foot deep hole in less than 30 sec with a single operator.

An Ideal Machine For

- Potholing - safely dig test holes in the ground to locate buried utilities for horizontal directional drills.
- Clean out storm drains, catch basins and valve boxes.
- Cleaning up drilling fluids and mud.
- General construction site cleanup.
- Keyholing or utility microsurgery.
- Environmental cleanup - everything from hurricane aftermath to oil spoils.
- Slot trenching.
